Summary of Continuous Improvement Efforts since Last Report

Provide a brief description of how assessment results have been used for program improvement. Point to a specific example of how an assessment provided the program with data it could use for improvement and what that improvement was, if possible, also show evidence of the improvement. You may look at data from the two previous academic years to support this case.

Achievement targets were met for all outcomes for the 2022-2023 assessment cycle. Target thresholds were increased and new learning outcomes adopted for the 2023-2024 assessment cycle.
