### IV. Committee Reports

The Staff Senate executive Board along with Wendy Smith, Chair of the Issues Committee, met with Mike Ferguson on December 13, 2001 to discuss information on how to establish a Merit Pay Plan. A suggestion was stated to have merit increases instead of a cross the board raise or a combination of both. Also, current evaluation forms would need to be changed to a point system. Each evaluation question would receive points from 1 to 5. Merit increases would be determined strictly by the total points received on your evaluation. Merit increases would come from institutional funds.
