**feedback methods the library uses when making improvement decisions**

- 1. In the past, this survey was used to make decisions about the improvements that are currently, or planned to be, taking place**
  - a. Ex: Remodeling study rooms, increasing electronic resources, improvement of safety and security, revitalizing of the building as a whole**
  - b. Renovations will soon begin on the sprinkler system — will be going floor by floor**
- iv. Each participant will be entered into a random drawing for a chance to win an Apple iPad Air, two \$25 gift cards to the campus bookstore, or 20 vouchers for one free Grande Starbucks beverage**
- v. Survey closes on March 29th**

**b. Library Recommendations**

- i. Tiffany: to reupholster seats and allow printers and coffee machines to be available to students 24/7**
  - 1. Response: This would be more feasible if printing was easily accessible to where students could retrieve their own paper**
- ii. Jasmine: to install a first floor restroom — this would be especially helpful for disabled students**

1. **Response: They plan to be able to do this but oftentimes the library gets alerted at the last minute; hoping to get this information posted to the library website once confirmed**

**c. Questions**

- i. **Q. Is there a current remodeling plan in place?**

1. **A. Not currently, but that could be implemented as a result of this survey**

- ii. **Q. How will the renovation of the sprinkler system affect students?**

1. **Measures will be taken to avoid as much inconvenience as possible but there will be periods of time when floors are unavailable. In these instances, there will be a library rep able to retrieve items for you**

- iii. **Q. Are there still colored printers available?**

1. **A. W**

**vi. Q. Will we always have to reserve rooms or is this just because of COVID-19?**

**1. A. Yes, it was initially implemented in response to coronavirus.**

**However**
